**SUBJECT: Removal Action Completion Report for Western Portion of Parcel 49
Fort Monmouth, Oceanport, Monmouth County, New Jersey
October 2018
PI G000000032**

Dear Mr. Ashish:

This is a follow-up to my 20 September 2018 submittal and the Department's 9 October 2018 concurrence with the soil removal action. The subject report includes the waste disposal documentation for the project.

Based on this report, the Army has determined that no further action is necessary and that all remedial actions are complete. The Department's concurrence in the Army's determination and approval for unrestricted use of the subject property would assist in the transfer of this property for beneficial reuse.

Please let me know if you have any questions or wish to discuss. I can be reached at 732-383-5104 or via email at william.r.colvin18civ@mail.mil.

Sincerely,

A handwritten signature in cursive script, reading "William R. Colvin", is positioned above the typed name.
